

Senior Baby Ads!!

One wonderful yearbook tradition is that of senior ads. These ads are a chance for family and friends to recognize all the wonderful memories you have shared together. Parents often purchase these as a surprise gift to their senior children, but they aren't the only ones who can. Both friends and family can document their years of memories with these ads.

This year we are offering a **discount** to any parent who turns in their SENIOR BABY ADS by **OCTOBER 30th**. Don't miss out on this opportunity! You can design the page, or give the yearbook staff your pictures and what you want to say and we'll design it for you. It's easy! Prices vary; please check out the pricing sheet below. The deadline to turn in Senior Ads is Friday, **January 16th**; buy yours today!

*** PLEASE NOTE: The early discount applies to any parent who turns in BOTH payment of the senior baby ad, as well as all pictures and text to be included in the ad!**

Fill out the following form and return to Sarah Walls, yearbook adviser. Include the pictures you want in the ad, as well as what words you'd like to share with your favorite senior. Please make check payable to PHS! Payment is due at the time of submission. Also please sign the back of this form!

Senior Ad Agreement

The purchase of a senior ad in the Piner High School yearbook is a tradition that has been lovingly carried on by many families and friends over the years. Please understand that we will do our very best as a yearbook staff to ensure that your ad is a physical representation of the memories you share with your senior, and that we hope to produce ads of the highest quality. This is, however, a student production and sometimes (rarely!) mistakes occur. In the event of an error in the printing of your ad, whether it be grammatical or pictorial in nature, we will gladly refund your money. We will not, under any circumstances, reprint yearbooks or inserts for the publication as it is too costly and time consuming. We also cannot be held responsible for ads turned in late (beyond the January deadline) or for mistakes inherent in the ads verbatim.
