

Piner High's Project Graduation

Class of 2012

Friday, May 25, 2012
9pm – 4am

What is Project Graduation? Project Grad is an all night party for all seniors: a safe, sober and fun way to celebrate on graduation night. In a matter of days, the Piner gym is transformed to reflect the year's theme!

Seniors can dance, gamble in the casino and play carnival games to earn raffle tickets, win AMAZING prizes, eat great food, visit a hair stylist, have a caricature done, get a tattoo (not a real one, henna or airbrushing), and just hang out with friends... one last time! Typically more than 80% of the graduates attend. The gift of admission is a great idea for your graduating senior!

Check out Piner Project Grad's MySpace and Facebook Sites and check out the latest updates and photos from last year!

TO CONTACT THE PINER PROJECT GRAD COMMITTEE EMAIL US at phsprojgradchairs@gmail.com

Want to help? Just email us - there are plenty of ways you can participate, every small job helps!!

WE NEED YOU!

That's right - in order to successfully run this all night event, we require the help of at least 300 parent volunteers and a minimum of \$20,000 each year. ***Parents of any grade level are encouraged to participate - especially those of freshmen, sophomores, and juniors!*** Got time? Email us and tell us you can help with set up, clean up or working at the event on grad night. Got resources? Email us and tell us about that too! With so much to do, every little bit helps - even if it's just a few hours. We always need donations of prizes – we want every senior to go home with a prize. Giftcards, candy, coffee cards, entertainment cards, visa cards, all kinds of prizes are accepted.
